to energy
efficient lighting
doesn't have to
get ugly.

mar-exim ENERGY SAVER Safety Bulbs®

SAME SIZE
AND
SAME SHAPE
AS A STANDARD BULB

USES UP TO
85% LESS POWER
AND LASTS 10-15 TIMES
LONGER
THAN A STANDARD BULB

Marexim GLS Energy Saver Safety Bulb® shown actual size

SAFER FOR YOU AND YOUR ENVIRONMENT WITH NO LIQUID MERCURY AND NO LEAD

SAFE FOR THE ENVIRONMENT

Marexim Energy-Saver Safety Bulbs **do not contain harmful liquid mercury or use lead in the manufacturing of the glass or solder.**

Marexim Safety Bulbs meet and surpass the rigorous European RoHS directive which restricts the use of harmful substances such as liquid mercury and lead (that are often present in other energy saving bulbs).

SAFE FOR YOU

Marexim Safety Bulbs enclose the compact fluorescent tubes within a protective outer glass achieving a two-fold benefit to end users. **1** The bulb is safer to install/remove avoiding potentially ugly injuries if the normally exposed fragile glass tubes are broken. **2** Marexim safety bulbs are also the same size and shape as standard incandescent bulbs, achieving the same familiar look and feel that was taken into consideration when the fittings were designed.

Make sure the bulbs you use are safer for you and the environment. Choose **Marexim Energy-Saver Safety Bulbs.**

MAREXIM RECYCLING SERVICES

The Marexim Group are committed to reducing the impact that we all cause on the planet and its limited resources. Marexim Energy Saver Safety Bulbs are virtually 100% recyclable at the end of their life and with bulbs lasting up to 15 times longer than standard disposable options, this achieves a huge reduction of used bulbs dumped in ugly landfills.

Marexim make recycling easy by providing a dedicated recycling service – you can simply and safely send used bulbs back to them in the bulbs own packaging (see left).

By installing Marexim Safety Bulbs you are immediately making a positive difference and moving towards operating in a more responsible and environmentally sustainable manner.

MAKE A DIFFERENCE **TODAY** FOR THE **GOOD** OF **TOMORROW**

HOW MUCH YOU CAN SAVE

This table shows the potential electricity costs saved every year from replacing normal incandescent bulbs with the “new generation” of long life Marexim Energy-Saver Safety Bulbs. (NB: The savings shown do not include the additional costs avoided by not having to purchase the 10-15 normal bulbs)

POTENTIAL SAVINGS OFF YOUR ELECTRICITY BILL

| Number of bulbs being replaced | Bulbs replaced with either “R80” or “GLS” type Marexim 15W Energy-Saver Safety Bulbs | | | | Bulbs replaced with either “Calm Tone” or “Candle” type Marexim Energy-Saver Safety Bulbs | | | |
|--------------------------------|--|----------|--------------|----------|---|----------|--------------|----------|
| | 100W Replaced | | 75W Replaced | | 60W Replaced | | 40W Replaced | |
| | MONTHLY | YEARLY | MONTHLY | YEARLY | MONTHLY | YEARLY | MONTHLY | YEARLY |
| 30 bulbs | \$72.66 | \$871.92 | \$51.30 | \$615.60 | \$43.60 | \$523.20 | \$26.50 | \$318.00 |
| 24 bulbs | \$58.13 | \$697.56 | \$41.04 | \$492.48 | \$34.88 | \$418.56 | \$21.20 | \$254.40 |
| 18 bulbs | \$43.60 | \$523.20 | \$30.78 | \$369.36 | \$26.16 | \$313.92 | \$15.90 | \$190.80 |
| 12 bulbs | \$29.07 | \$348.84 | \$20.52 | \$246.24 | \$17.44 | \$209.28 | \$10.60 | \$127.20 |
| 6 bulbs | \$14.53 | \$174.42 | \$10.26 | \$123.12 | \$8.72 | \$104.64 | \$5.30 | \$63.60 |

Note:- Calculations have been based on an average of 5 hours use per bulb per day and at a power cost assumption of \$0.19 per kilowatt. Costs and usage may vary depending on your local power pricing structures, the bulbs chosen and the location of each bulb.

SWITCH TO MAREXIM SAFETY BULBS

SAFETY FIRST

Marexim Energy-Saver Safety Bulbs DO NOT contain Liquid Mercury and are manufactured using lead free glass and lead free solder!

Marexim Energy-Saver Safety Bulbs have a protective outer shell covering the inner workings. They are also cooler to touch than incandescent bulbs.

LONG LASTING/LONG LIFE

Marexim Energy-Saver Safety Bulbs last 10-15 times longer than normal bulbs. This means there is less wastage, less pollution in our landfills and you purchase 10-15 times less incandescent bulbs over the same time period. They also come with a 12 month warranty.

ENERGY EFFICIENT

Marexim Energy-Saver Safety Bulbs draw less power thus you may save up to 85% of electricity usage and cost.

LOOK LIKE ORDINARY BULBS

Marexim Energy-Saver Safety Bulbs are the SAME SIZE, SAME SHAPE and even look like normal light bulbs. The Smart alternative to the Ugly Curly Whirly!

PERFORMANCE

Marexim Energy-Saver Safety Bulbs are designed to perform the exact task and replace normal bulbs.

AVOID UNNECESSARY COSTS

Marexim Energy-Saver Safety Bulbs may help you avoid \$1,100 of costs over the life of a “Smart Pack” of 6 bulbs.

240V GLS Safety Bulb

For general lighting

REPLACES REGULAR 75W-100W BULBS

75W 15W 9 YRS

| | | |
|--------------------------|-------------------------------|--|
| Edison Screw Base | Order Code: CFL-GLS-15W-ES-WW | |
| Bayonet Cap Base | Order Code: CFL-GLS-15W-BC-WW | |

240V Calmtone GLS Safety Bulb

For general lighting and table lamps

REPLACES REGULAR 40W-60W BULBS

60W 11W 9 YRS

| | | |
|--------------------------|--------------------------------|--|
| Edison Screw Base | Order Code: CFL-CALM-11W-ES-WW | |
| Bayonet Cap Base | Order Code: CFL-CALM-11W-BC-WW | |

240V R80 Safety Bulb

For downlights

REPLACES REGULAR 75W-100W BULBS

75W 15W 9 YRS

| | | |
|--------------------------|-------------------------------|--|
| Edison Screw Base | Order Code: CFL-R80-15W-ES-WW | |
| Bayonet Cap Base | Order Code: CFL-R80-15W-BC-WW | |

240V R80 Safety Bulb

For downlights

REPLACES REGULAR 75W-100W BULBS

100W 20W 9 YRS

| | | |
|--------------------------|-------------------------------|--|
| Edison Screw Base | Order Code: CFL-R80-20W-ES-WW | |
| Bayonet Cap Base | Order Code: CFL-R80-20W-BC-WW | |

240V Candle Safety Bulb

For chandeliers & decorative fittings

REPLACES REGULAR 40W-60W BULBS

45W 9W 9 YRS

| | | |
|--------------------------------|----------------------------------|--|
| Edison Screw Base | Order Code: CFL-Candle-9W-ES-WW | |
| Bayonet Cap Base | Order Code: CFL-Candle-9W-BC-WW | |
| Small Edison Screw Base | Order Code: CFL-Candle-9W-SES-WW | |
| Small Bayonet Cap Base | Order Code: CFL-Candle-9W-SBC-WW | |

240V GU10 Safety Bulb

Halogen replacement

REPLACES 35W-50W HALOGEN BULBS

40 or 50W 7 or 11W 9 YRS

| | | |
|----------------------------|-----------------------------|--|
| GU10 7W Warm White | Order Code: CFL-GU10-7W-WW | |
| GU10 7W Cool White | Order Code: CFL-GU10-7W-CW | |
| GU10 11W Warm White | Order Code: CFL-GU10-11W-WW | |
| GU10 11W Cool White | Order Code: CFL-GU10-11W-CW | |
